**January 2012 Embroidery Club
Document Organizer**

Supply List:

- Sewing/Embroidery machine with all attachments and cords needed for embroidery and sewing
- Size 90/14 Titanium needle or embroidery needle
- One purchased placemat: at least 13"x18"
- One matching napkin: at least 17"x15"
- ½ yard ½ inch elastic **or** one yard of 5/8 to ¾ inch wide grosgrain ribbon
- Floriani Perfect Stick Stabilizer or Sticky by Sulky
- Fabric marker
- Rotary cutter, mat and ruler
- Embroidery thread (colors will vary according to the color of the place mat, I used green, light and medium purple, and pale yellow for the flower and red and Kingstar metallic gold for the monogram)
- Bobbin thread
- Construction thread to match placemat
- Pins
- Hot fix crystals and wand (optional, but lots of fun)
- Tube turner (optional, but you'll wish you had one!)

I found a good supply of reasonably priced place mats at Tuesday Morning. If you can't find a matching napkin, you can use an equivalent measure of fabric.
